

Table 1. Nepal Trade Capacity Assistance for 2007 and 2008

			FY07 Total	FY08 Total
Activity Title	Activity Description	TCB Category		
Combating Exploitive Child Labor - Nepal	USDOL funds a sole source cooperative agreement with World Education, Inc., a U.S.-based non-profit organization, to support the Brighter Futures Program. Range of services includes development of a flexible, modular non-formal education curriculum and schooling program for child laborers, accelerated learning and transition to formal school, practical skills training programs and apprenticeships.	Human Resources and Labor Standards	345,001	
		Activity Total TCB for Nepal	345,001	
Smallholder Irrigation Market Initiative	The Smallholder Irrigation Market Initiative supports a program to enhance and facilitate export promotion of non-timber forest products and high value agricultural products, including tea and coffee. This activity also focuses on policy and capacity building to meet international phyto-sanitary standards and promote bilateral and multilateral trade including the domestic market. Nepal Description for 2008: USAID/Nepal's Trade Capacity Building in FY2008 is mainly for Trade-Related Agriculture and is through an Agriculture Program "Smallholder Irrigation Market Initiative" activity. The Smallholder Irrigation Market Initiative activity continues support to enhance the production and productivity of high value agricultural commodities which include tea and coffee, and non-timber forest products, herbs and spices and facilitate trade and export promotion both for domestic and international market.	Trade-Related Agriculture	25,001	50,001
		Export Promotion	25,001	
		Activity Total TCB for Nepal	50,001	50,001
South Asia Regional Initiative for Energy (SARI/Energy)	The USAID South Asia Regional Initiative for Energy (SARI/Energy) program promotes energy security in South Asia through three activities areas: cross border energy trade, energy market formation, and regional clean energy development. Through these activities SARI/Energy facilitates more efficient regional energy resource utilization, works toward transparent and profitable energy practices, mitigates the environmental impacts of energy production, and increases regional access.	Regional Trade Agreements (RTA)		5,001
		Other Trade Facilitation		29,001
		Competition Policy and Foreign Investment		6,001
		Business Services and Training		8,001
		Activity Total TCB for Nepal		48,001
